FOREWORD

The Eagle of 1950 is no book of classic beauty nor is it even complete within itself. It is a collection of suggestions--suggestions which call back memories of the things we have enjoyed. The desire of the staff is that this annual in some small degree keep young our hearts as we go into that better part of life of which Browning said:

"Grow old along with me,
the best is yet to be--the last of life for
which the first was made".

Miss Lizzie Mitchell

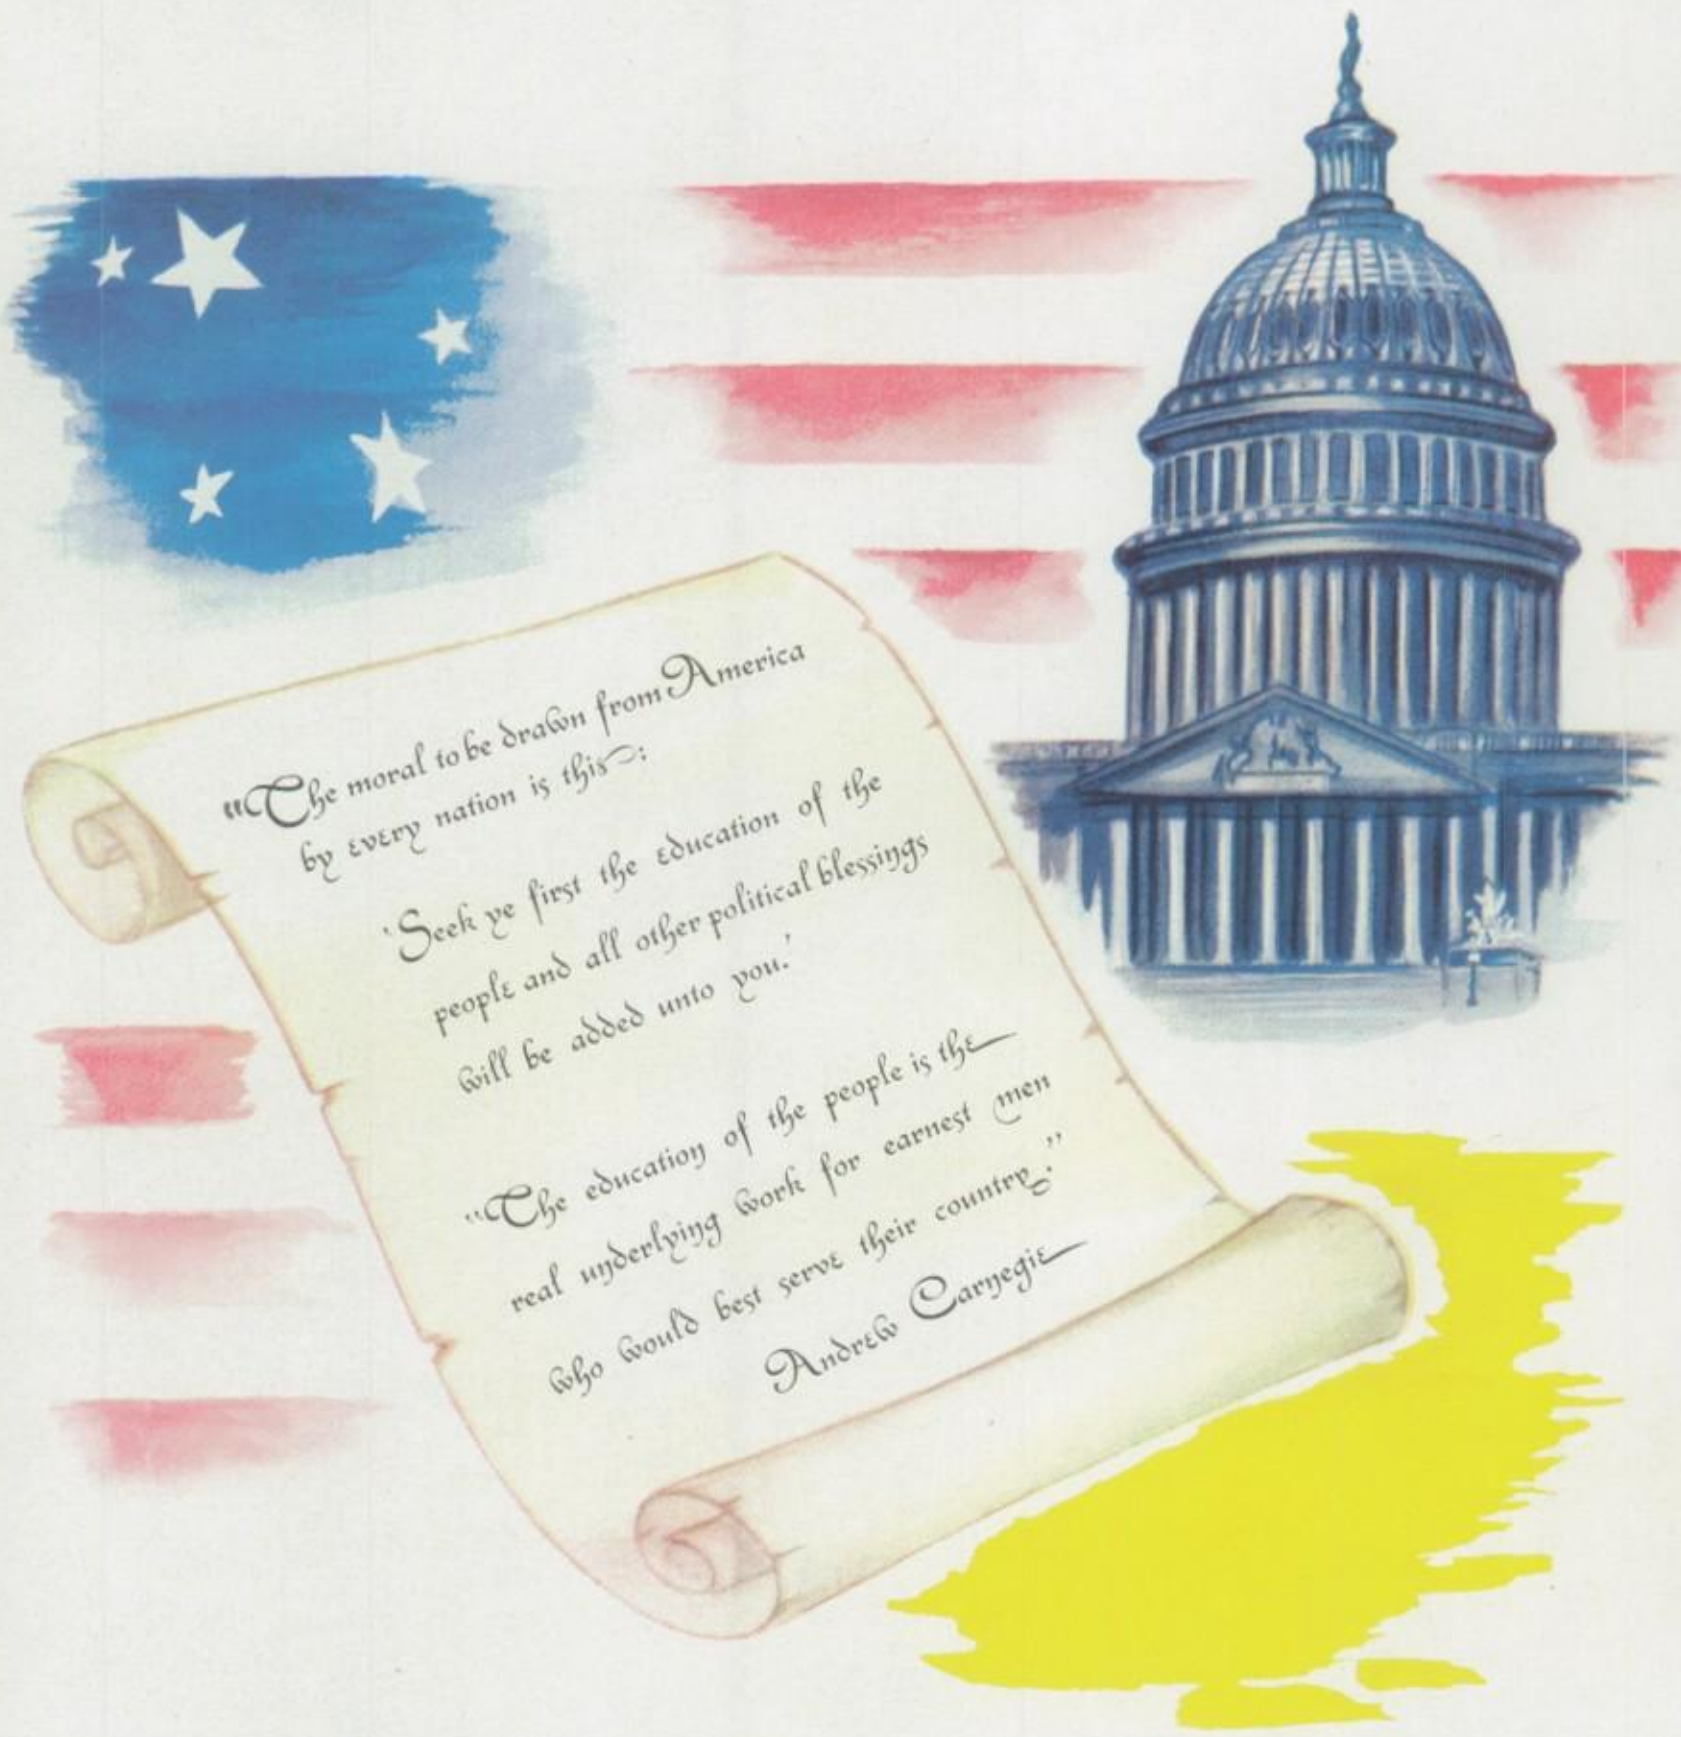
Dedication

to

MISS LIZZIE MITCHELL

It is with pride that the class of nineteen-fifty offers this book as a tribute to that one who has done so much to promote education and to compile and preserve our county history, and whose mind enriches our community with the best. Her service and loyalty have been and are ever an inspiration, and as a token of our appreciation we do dedicate to her our 1950 EAGLE.

ADMINISTRATION



"The moral to be drawn from America
by every nation is this:
'Seek ye first the education of the
people and all other political blessings
will be added unto you.'
"The education of the people is the
real underlying work for earnest men
who would best serve their country."
Andrew Carnegie

CLASS POEM

To our friends at Zebulon High
It is time to say good-bye
Time has come for us to part
But memories linger in our hearts.

Memories of our past few years
Some of joy and some of tears
Things that happened day by day
Are deep within our hearts to stay.

To the faculty kind and true
We express our thanks to you
For the wisdom we have gained
By the things that you explained.

Things that helped us understand
By your extended helping hand
Problems large, and problems small
You have helped to solve them all.

To our classmates, everyone
We want to say that we've had fun.
We want to strive for happiness
And never forget old Z. H. S.

-- Lorene Tolen

104 171

ALMA MATER

In the dear old town of Zebulon
In the heart of Pike
Proudly stands our Alma Mater
As the years roll by.

Chorus

From our hearts we sing the chorus
Forward and prevail
Hail to the Alma Mater
Zebulon High, all hail.

In the hearts of sons and daughters,
Long our memory stays
Though we leave our Alma Mater,
Still we sing her Praise.

CLASS SONG

"Tune-Annie Laurie" Words By: Mrs. Susan G. Pope

Dawns the day on which for years
We have centered hopes and fears.
Comes the time for which we've wrought
Toiled and sighed with anxious thought.
Now we come with hearts elate
To this graduation gate.
Soon to enter realms unknown
Where sweet fancy oft has flown.

(Chorus)

Let us part with a sigh,
Let us part with a tear
With the friendships of classmates,
We cherish so dear.
That afar in future years
We turn in our way
To the joy and to the sorrows
We've tasted today.

Classmates, when the day is o'er
And we part to meet no more
Sometimes twine a wreath of flowers
Culled from early friendships bowers
We have thru the last bright years
Lived and loved together here
Shared each other's hopes and fears,
Shared each other's smiles and tears.

CLASS PROPHECY

This is Station Nuts of the Moranic Broadcasting Company, located in the Waldorf Castoria Hotel, Zebulon, Georgia. We wish to thank Miss Mary Ruth Armistead for relinquishing the time for this special broadcast of the tenth reunion of the Senior Class of Z. H. S. year 1950.

As most of you know, Miss Armistead conducts the "Aunt Mary's advice to the Lovelorn" program over this station at this hour, Monday through Friday.

Faye Allen of "The Rock" has just been elected Governor of Georgia. In an interview with the press she states that Hugh Watson will run the elevator in the capitol.

Headlines reveal that Bruce Lackey and his wife, "Audrey" will not be able to attend the reunion, because he has just blown up the entire town of Concord with a chemistry experiment.

Ernestine Coley is taking a trip around the world by mule train, but instead of going clippety clop, she is going flippety flop with "Flop".

Donald Connell has spent the past ten years, trying to prove that all blondes aren't light headed.

We have just recieved word that Mary Ann Hunter, the engaged lady of the class of 50, can't be present tonight. She is leaving for the west with her soldier husband and their ten young privates.

Dorothy Ann Weaver has kept her resolve to keep her hair long, no matter how long other girls keep their hair short.

Joanne Bush has worked in the mail order department for Sears-Roebuck so lon, that she has given up hope of having her order for a man filled.

Paty Sue Pryor operates a dancing school in Williamson. She guarantees results especially in square dancing.

Dr. Ann Huff, P.H.D. is travelling over the United States on a lecture tour. Her subject if "Why a Zebra Hasn't Stars as well as Stripes".

We hear that Vence Wilson has had his life insured for $25,000, so that he will have something to live on after he is dead.

Jacquelyn Allen has just been crowned "Miss America", in a national beauty contest.

Mary Emily Hammond lives on a ranch in Texas. She has struck oil, and it is rumored that she is hiding from her many suitors.

A big success in radio is none other than Joe Carmichael who is master of ceremonies on the program "People are Pathetic".

Lorene Tolen is quite successful in the management of a bakery in Griffin. She specializes in "Bunns".

"True Romances" is an outstanding magazine of the year. But why not, when our old school mate, Louise Smith is editor.

Life for Edith Reeves is all "Sonny", more or less. She and her husband, Sonny Davis live in a little vine covered Cottage in Williamson and there are lots of little "Son beams" around the door.

104 171

The class of 50 had one member equal to Einstin, Bobby Peek. After years of research, he has perfected his "Wheel-less special", an automobile that floats two feet above the ground.

Griff Inn and Night Club has a neon sign advertising the following attractions, Virginia Tapley, Bubble dancer and Barbara Cauthen, Torch singer.

Eleanor Lifsey is operating a school of typing and short hand in Meansville. Although her school is quite successful, she has her mind on higher things. Maybe not royalty, but a "king" anyway.

James Adams always wanted to go up in the world, so he is very happy in his job operating the elevator in the City Hall in Atlanta.

The Harrison Freight line is owned and operated by Mrs. Bobby Harrison, the former Betty Cannafax. Betty manages the freight line as well as Bobby.

Alma Williams who was best citizen of the class of 50 is still an outstanding person. She is Dean of Women of the University of Georgia.

Since leaving Z.H.S. Vivian Cook has really had the love affairs, and upon losing her latest love, has begun writing a novel entitled "They Went With the Breeze".

Our time is about up. We hope that our listeners have enjoyed this brief account of the activities of the class of 1950.
